

To Whom It May Concern,

I am happy to write a letter of recommendation for Tsion Walker. Tsion interned with Impact Branding Consulting during the summer of 2019. During his tenure, we found Tsion to be ambitious, hardworking, and creative. His creativity contributed to several projects. Tsion was responsible for managing clients' social media accounts. This included graphic design and matching marketing content to support the graphics, which were published on several social media platforms. He also designed one of the official image brands for the IBC Academy.

During his time with Impact Branding Tsion participated in team meetings, worked in an office setting, as well as virtually. Tsion gained insight into how a business operates behind the scene. Tsion seems to truly enjoy all aspects of graphic design and with additional experience and skills will be a valuable member of a creative team.

Sincerely,

Two handwritten signatures in black ink. The first signature is "Antoinette" and the second is "McClendon".
